Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$29,200 if you're married filing jointly or a qualifying surviving spouse; \$21,900 if you're head of household; \$14,600 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

f. Authorization Holds

You do not have the right to stop payment on any purchase transaction originated by use of your Card, except as otherwise provided herein. With certain types of purchases (such as those made at restaurants, hotels, or similar purchases), your Card may be "preauthorized" for an amount greater than the transaction amount to cover gratuity or incidental expenses. Any preauthorization amount will place a "hold" on your available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. During this time, you will not have access to preauthorized amounts. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds.

g. Preauthorized Transfers

Preauthorized credits: If you have arranged to have direct deposits made to your Card account at least once every 60 days from the same person or company, you can call us at (949) 751-0360 or www.globalcashcard.com to find out whether or not the deposit has been made.

Right to stop payment and procedure for doing so: If you have told us in advance to make regular payments out of your Card account, you can stop any of these payments. Here's how: Call us at (949) 751-0360 or write us at Global Cash Card 3972 Barranca Pkwy Ste J610 Irvine, CA 92606 in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Notice of varying amounts: If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set).

Liability for failure to stop payment of preauthorized transfer: If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

h. Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with your Card, the merchant will handle the return and refund. If the merchant credits your Card, the credit may not be immediately available. While merchant refunds post as soon as they are received, please note that we have no control over when a merchant sends a credit transaction and the refund may not be available for a number of days after the date the refund transaction occurs.

i. Receipts

You may wish to retain receipts as a record of transactions. Receipts will be required if you need to verify a transaction.

j. Split Transactions and Other Uses

If you do not have enough funds available in your Card account, you can instruct the merchant to charge a part of the purchase to the Card and pay the remaining amount with another form of payment. These are called "split transactions." Some merchants do not allow cardholders to conduct split transactions. Some merchants will only allow you to do a split transaction if you pay the remaining amount in cash.

If you use your Card number without presenting your Card (such as for an internet transaction, a mail order or a telephone purchase), the legal effect will be the same as if you used the Card itself.

You are not allowed to exceed the available amount in your Card account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available in your Card account, you shall remain fully liable to us for the amount of the transaction and agree to pay us promptly for the negative balance. We may apply a debit to any subsequent credits to the Card or any other account you have with us for the amount of any negative balance on your Card. We also reserve the right to cancel this Card and close your Card account should you create one or more negative balances with your Card.

You are responsible for all transactions initiated by use of your Card, except as otherwise set forth herein. You may not use your Card for any illegal transactions, use at casinos, or any gambling activity.

k. Card Replacement and Expiration

If you need to replace your Card for any reason, please contact us at (949) 751-0360. Please note that your Card has a "Valid Thru" date on the front of the Card. You may not use the Card after the "Valid Thru" date on the front of your Card. However, even if the "Valid Thru" date has passed, the available funds on your Card do not expire.

If you do not tell us within 60 days after the earlier of the date you electronically accessed your account (if the unauthorized transfer could be viewed in your electronic history), or the date we sent the FIRST written history on which the unauthorized transfer appeared, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods for a reasonable period.

c. In Case of Errors or Questions About Your Electronic Transfers

If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point of sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. 16. DISPUTE CLAUSE

We have put this Dispute Clause in question and answer form to make it easier to follow. However, this Dispute Clause is part of this Agreement and is legally binding.

Background and Scope.

Question	Answer
What is arbitration?	An alternative to court
In arbitration, a third party arbitrator ("Arbitrator") solves Disputes in an informal hearing.	
Is it different from court and jury trials?	Yes
The hearing is private. There is no jury. It is usually less formal, faster and less expensive than a lawsuit. Pre-hearing fact finding is limited. Appeals are limited. Courts rarely overturn arbitration awards.	
Can you opt-out of this Dispute Clause?	Yes, within 60 days
If you do not want this Dispute Clause to apply, you must send us a signed notice within 60 calendar days after you purchase the Card. You must send the notice in writing (and not electronically) to our Notice Address, Attn: General Counsel. Provide your name, address and Card number. State that you "opt out" of the dispute clause.	
What is this Dispute Clause about?	The parties' agreement to arbitrate Disputes
Unless prohibited by applicable law and unless you opt out, you and we agree that you or we may elect to arbitrate or require arbitration of any "Dispute" as defined below.	
Who does the Dispute Clause cover?	You, us and certain "Related Parties"
This Dispute Clause governs you and us. It also covers certain "Related Parties": (1) our parents, subsidiaries and affiliates; (2) our employees, directors, officers, shareholders, members and representatives; and (3) any person or company that is involved in a Dispute you pursue at the same time you pursue a related Dispute with us.	
What Disputes does the Dispute Clause cover?	All Disputes (except certain Disputes about this Dispute Clause)
This Dispute Clause governs all "Disputes" that would usually be decided in court and are between us (or any Related Party) and you. In this Dispute Clause, the word "Disputes" has the broadest reasonable meaning. It includes all claims even indirectly related to your Card or this Agreement. It includes claims related to the validity in general of this Agreement. However, it does not include disputes about the validity, coverage or scope of this Dispute Clause or any part of this Dispute Clause. (This includes a Dispute about the rule against class arbitration.) All such disputes are for a court and not an Arbitrator to decide.	
Who handles the arbitration?	Usually AAA or JAMS
Arbitrations are conducted under this Dispute Clause and the rules of the arbitration administrator in effect when the arbitration is started. However, arbitration rules that conflict with this Dispute Clause do not apply. The arbitration administrator will be either:	
• The American Arbitration Association ("AAA"), 1633 Broadway, 10th Floor, New York, NY 10019, www.adr.org .	
• JAMS, 620 Eighth Avenue, 34th Floor, New York, NY 10018, www.jamsadr.com	
• Any other company picked by agreement of the parties.	
If all the above options are unavailable, a court will pick the administrator. No arbitration may be administered without our consent by any administrator that would permit a class arbitration under this Dispute Clause. The arbitrator will be selected under the administrator's rules. However, the arbitrator must be a lawyer with at least ten years of experience or a retired judge unless you and we otherwise agree.	
Can Disputes be litigated?	Sometimes
Either party may bring a lawsuit if the other party does not demand arbitration. We will not demand arbitration of any lawsuit you bring as an individual action in small-claims court. However, we may demand arbitration of any appeal of a small-claims decision or any small-claims action brought on a class basis.	
Are you giving up any rights?	Yes
For Disputes subject to this Dispute Clause, you give up your right to:	
1. Have juries decide Disputes.	
2. Have courts, other than small-claims courts, decide Disputes.	
3. Serve as a private attorney general or in a representative capacity.	
4. Join a Dispute you have with a dispute by other consumers.	
5. Bring or be a class member in a class action or class arbitration.	
We also give up the right to a jury trial and to have courts decide Disputes you wish to arbitrate.	
Can you or another consumer start a class arbitration?	No
The Arbitrator is not allowed to handle any Dispute on a class or representative basis. All Disputes subject to this Dispute Clause must be decided in an individual arbitration or an individual small-claims action. This Dispute Clause will be void if a court rules that the Arbitrator can decide a Dispute on a class basis and the court's ruling is not reversed on appeal.	
What law applies?	The Federal Arbitration Act ("FAA")
This Agreement and the Cards involve interstate commerce. Thus, the FAA governs this Dispute Clause. The Arbitrator must apply substantive law consistent with the FAA. The Arbitrator must honor statutes of limitation and privilege rights. Punitive damages are governed by the constitutional standards that apply in judicial proceedings.	

Will anything I do make this Dispute Clause ineffective?	No
This Dispute Clause stays in force even if: (1) you or we end this Agreement; or (2) we transfer or assign our rights under this Agreement.	
Process.	
What must a party do before starting a lawsuit or arbitration?	Send a written Dispute notice and work to resolve the Dispute
Before starting a lawsuit or arbitration, the complaining party must give the other party written notice of the Dispute. The notice must explain in reasonable detail the nature of the Dispute and any supporting facts. If you are the complaining party, you must send the notice in writing (and not electronically) to our Notice Address, Attn: General Counsel. You or an attorney you have personally hired must sign the notice and must provide the Card number and a phone number where you (or your attorney) can be reached. A letter from us to you will serve as our written notice of a Dispute. Once a Dispute notice is sent, the complaining party must give the other party a reasonable opportunity over the next 30 days to resolve the Dispute on an individual basis.	
How does an arbitration start?	Mailing a notice
If the parties do not reach an agreement to resolve the Dispute within 30 days after notice of the Dispute is received, the complaining party may commence a lawsuit or an arbitration, subject to the terms of this Dispute Clause. To start an arbitration, the complaining party picks the administrator and follows the administrator's rules. If one party begins or threatens a lawsuit, the other party can demand arbitration. This demand can be made in court papers. It can be made if a party begins a lawsuit on an individual basis and then tries to pursue a class action. Once an arbitration demand is made, no lawsuit can be brought and any existing lawsuit must stop.	
Will any hearing be held nearby?	Yes
The Arbitrator may decide that an in-person hearing is unnecessary and that he or she can resolve a Dispute based on written filings and/or a conference call. However, any in-person arbitration hearing must be held at a place reasonably convenient to you.	
What about appeals?	Very limited
Appeal rights under the FAA are very limited. The Arbitrator's award will be final and binding. Any appropriate court may enter judgment upon the arbitrator's award.	
Arbitration Fees and Awards.	
Who bears arbitration fees?	Usually, we do.
We will pay all filing, administrative, hearing and Arbitrator fees if you act in good faith, cannot get a waiver of such fees and ask us to pay.	
When will we cover your legal fees and costs?	If you win
If you win an arbitration, we will pay the reasonable fees and costs for your attorneys, experts and witnesses. We will also pay these amounts if required under applicable law or the administrator's rules or if payment is required to enforce this Dispute Clause. The Arbitrator shall not limit his or her award of these amounts because your Dispute is for a small amount.	
Will you ever owe us for arbitration or attorneys' fees?	Only for bad faith
The Arbitrator can require you to pay our fees if (and only if): (1) the Arbitrator finds that you have acted in bad faith (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)); and (2) this power does not make this Dispute Clause invalid.	
Can an award be explained?	Yes
A party may request details from the Arbitrator, within 14 days of the ruling. Upon such request, the Arbitrator will explain the ruling in writing.	

17. Waiver of Right to Trial by Jury

You and we acknowledge that the right to trial by jury is a constitutional right but may be waived in certain circumstances. To the extent permitted by law, you and we knowingly and voluntarily waive any right to trial by jury in the event of litigation arising out of or related to this agreement. This jury trial waiver shall not affect or be interpreted as modifying in any fashion the dispute clause set forth in the following section, if applicable, which contains its own separate jury trial waiver.

18. Right of Set-Off:

In the event of a negative balance on your Card, we reserve the right to off-set that negative balance with any funds you have on deposit with us, including, without limitation, the balance or balances on other Cards you may have with Global Cash Card.

The key behind fraud is intent. A person or entity will misrepresent information to obtain something of value that they would otherwise not qualify for. Fraud can be done by a single person, institution or a group. Anyone can commit fraud.

Examples of Medicaid Fraud include, but are not limited to:

- Knowingly and/or purposefully filling out a timesheet incorrectly for hours or services that were not provided during the times listed or on the day listed;
- Knowingly and/or purposefully approving the Vendor Fiscal/Employer Agent (F/EA) Financial Management Service (FMS) to bill the VA for services that were not provided;
- Knowingly and/or purposefully using the PDS budget for any other purpose than what has been approved in the participant's individual service plan.
- Knowingly and/or purposefully allowing an employee to submit for services or hours that were not provided.
- Knowingly and/or purposefully submitting invoices to the Vendor F/EA FMS for goods and services that were not provided.
- Knowingly and/or purposefully having the Vendor F/EA FMS pay for services to an individual when services were provided by someone else.
- Knowingly or purposefully withholding information from authorities during an investigation.

Abuse is defined as practices that are inconsistent with sound fiscal, business, or medical practices, and result in an unnecessary cost to the Veterans program, or in reimbursement for services that are not medically necessary or fail to meet professionally recognized standards for health care.

Examples of Abuse include:

- Making errors when filling out the employee timesheets and not reporting those errors in a timely manner to the FMS.
