

Fall e-Newsletter September 2024

A note from Operations Specialist, Hilary Gilmer

Welcome to the PremierFMS September e-Newsletter! We are so excited to continue serving families in Utah at PremierFMS. It has been a busy few months for PremierFMS in Utah.

We had a wonderful time at the Utah Parent Family Festival. It was so much fun to meet Utah families in person.

We also hosted an event with the Utah Parent Center in May to assist with changes to the Caregiver Compensation Program. We are excited to see all of our programs growing and to meet new families along the way.

Our new office is looking forward to cooler weather and meeting the new families we get to support!

Happy reading!

Submitting Timesheets with PremierFMS

The PremierFMS e-Timesheets User Manual is your source for submitting your timesheets accurately and on time. At PremierFMS, we want to provide you with tools and resources to improve your Self-Direction journey. The manual can be used to support Participants, Direct Care Professionals (DCPs), and Representatives. This manual helps you with setting up your account, submitting timesheets, and resolving errors.

PremierFMS Celebrates World Alzheimer's Day

On September 21, we will be celebrating World Alzheimer's Day in culmination of World Alzheimer's Month (WAM) in September. PremierFMS

wants to provide you with tips on recognizing Alzheimer's and where you can find more resources.

Alzheimer's Disease International (ADI) helps lead Alzheimer's awareness throughout September and wants to change how people view dementia with this campaign. Negative perceptions and discrimination towards the disease overshadow the positive work done to build awareness around the globe.

DVRW Supports Your Voice Being Heard

Last week was Disability Voting Rights Week (DVRW). DVRW was celebrated from September 9-13 and was promoted by the American Association of People with Disabilities. In partnership with the REV Up campaign, DVRW advocated for voters with disabilities, regardless of their political view. This nonpartisan effort amplifies the representation and voices of voters with disabilities.
